Learn all about Analogies!

Compare and contrast different animals through predictable, rhyming analogies. Find the similarities between even the most incompatible animals...bat is to flit as eagle is to soar; dog is to bark as lion is to roar. Comparisons include sounds, physical adaptations, behaviors, and animal classes and are so fun, readers learn without realizing it! (Ages 3-8)

For Creative Minds

Teachers and parents will love the educational section, which includes the following activities:

- **Analogies**
 - Body Parts
 - Size
 - Actions
 - Skin Coverings

About the Author & Illustrator

Award-winning author, **Marianne Berkes** (pronounced Ber-kess with two syllables) is a retired teacher and librarian who turned her love of nature and teaching into writing. Some of her recent and award-winning titles include: *Going Home*, *The Mystery of Animal Migration*; *Over in the Ocean, in a Coral Reef*; *Over in the Jungle, a Rainforest Rhyme*; and *Going Around the Sun, Some Planetary Fun*. Remembering her days in the classroom, Marianne introduces animal analogies through *Animalogy*. www.MarianneBerkes.com.

Cathy Morrison has been a freelance illustrator for over twenty years. Though she began her career in graphic design, she discovered her passion for children's book illustration while raising her two children. She has won several awards for her picture books, including the Moonbeam Children's Book Award, and ForeWord Magazine's "Book of the Year". Cathy spends her days working from her studio overlooking the Mummy Range, on the northern side of the Rocky Mountain National Forest.
