New Release! Spring 2011

BIG CAT, Little Kitty

Big cats are fierce predators that roam the world from the mountains to the deserts. How are these wild cats that hunt for their food the same as pet cats that might chase a mouse or ball of yarn? How are they different? Children learn the days of the week as they travel to seven different world habitats to meet the big cats, and then back home to compare and contrast the domestic cat's behavior to that of its relative.

One Wolf Howls

Winner of the 2010 Silver Nautilus Book Award

Have you ever wondered what it would be like to be a wolf? What would you do in the cold winter months? Where would you sleep? What would you eat? Spend a year in the world of wolves in ***One Wolf Howls***. This adventurous children's book uses the months of the year and the numbers 1 through 12 to introduce children to the behavior of wolves in natural settings. The lively, realistic illustrations of Susan Detwiler complement the rhyming text and bring each month to life. From January to December, howl, frolic, and dance, while learning important lessons page-by-page.

Not only is Scotti's book fun, but it's educational, too!

BIG CAT, Little Kitty features a "For Creative Minds" section (see below), Cross-curricular "Teaching Activities," English/Spanish eBooks and audio, child-friendly "Related Websites," and Comprehension & Math quizzes, all available at www.SylvanDellPublishing.com.

A School Visit with Scotti...

My school presentations are typically 30-40 minutes long. I require that teachers or other adult supervisors be present during my programs.

My presentations can emphasize either **Language Arts** (creative writing) or **Natural Sciences**.

Each presentation includes:

- A brief preliminary conversation with the children about the subject, to see what they think they already know. (5 min.)
- An interactive reading of portions of the book, after which children will be encouraged to discuss ways in which the text and illustrations inform them about the subject. (10-20 min)
- A Question-and-Answer period during which children can ask about the process of becoming a published author or anything related to the subject. (10-20 min.)

I use PowerPoint slides with audio during my presentations. To download a brochure describing my presentations, go to www.scotticohn.com and click on Author Visits.
